Dear Zhang Jianwen,

**Invitation to Join**  
**the 3rd International Conference on Biodiversity, Ecology, and Conservation of**  
**Marine Ecosystems 2025**  
**(19-23 August 2025)**

On behalf of the Organizing Committee, I am writing to cordially invite you to participate at the 3rd International Conference on Biodiversity, Ecology, and Conservation of Marine Ecosystems 2025 (BECOME-2025) which will be held during 19-23 August 2025 at City University of Hong Kong in Hong Kong. Details of this meeting can be found at the official website: <https://www.become2025.com/>. Following the success of our last BECOME-2022 conference, which attracted 340 participants from 33 countries with 190 presentations, BECOME-2025 will continue to support the international Convention on Biological Diversity and the United Nations Decade of Ocean Science for Sustainable Development. It is also dedicated to serve as part of celebrative events for the National Ecology Day of China (i.e., 15 August 2025).

We believe that your participation and sharing on recent discoveries will greatly benefit the participants of the BECOME-2025 Conference.

All expenses related to transportation (including airfare), accommodation, and meals incurred by participants shall be borne individually. Should you have any question, please do not hesitate to contact conference secretariat at [become.2025@cityu.edu.hk](mailto:become.2025@cityu.edu.hk) or Ms. May Ng at [manwaing@cityu.edu.hk](mailto:manwaing@cityu.edu.hk). Thank you for your kind consideration. We look forward to hearing your positive response.

We would be most delighted if you could participate in the BECOME-2025.

Yours sincerely,

Professor Kenneth Leung  
Chairman, Organizing Committee of BECOME-2025  
Director, State Key Laboratory of Marine Pollution  
City University of Hong Kong
